#### TERMS AND CONDITIONS OF THE GAP WAIVER ADDENDUM

This GAP Waiver Addendum is incorporated into and supplements the terms of the Installment Sales Contract/Loan. By electing this GAP Waiver Addendum, the Debtor agrees to the terms below and on the reverse side, which are incorporated by reference into this Addendum.

#### **DEFINITIONS**

For the purposes of this Installment Sales Contract/Loan GAP Waiver Addendum, the following words are defined and their meanings will be as follows: "We", "us", and "our" refer to the seller/lender; "you" and "your" means the borrower/debtor/buyer.

- "GAP Amount" means the difference between the primary carrier's physical damage insurance payments, including any tax and fee refunds applied, for a Constructive Total Loss or, if uninsured, the collateral's Actual Cash Value and the Unpaid Net Balance of the installment sales contract/loan as of the Date of Loss. If you are entitled to collect the same from others, including but not limited to, primary and other insurance, or salvage sale, that portion of the payment will not be covered in the GAP settlement. GAP does not cover deductions made by the primary insurance carrier for prior damage that has already been paid to you or due to prior salvaged title. Amount waived shall not exceed \$50,000 in total.
- "Constructive Total Loss" means the direct and accidental damage to or theft of the Collateral which meets one of these criteria: 1) Either the total cost to repair the Collateral is greater than or equal to the ACV of the Collateral immediately prior to the date of Loss; or 2) The Collateral is stolen and is not recovered within thirty (30) days from the date a police report is filed.
- "Actual Cash Value (ACV)" means the retail value of the Collateral, on the Date of Loss, as listed in the NADA Official Used Car Guide for the territory in which the Collateral is principally garaged and with appropriate adjustments for mileage or optional equipment. For any Collateral which has no NADA Retail Value available, ACV will be determined using the best information available to us which we reasonably believe accurately reflects the retail value of the collateral and is customarily used as the basis for establishing ACV in that territory.
- "Primary Insurance" means in force insurance coverage, required by us, and carried by you to protect the covered collateral from collision and comprehensive loss, naming us as Loss Payee or Lien holder. Provides liability coverage to any person who has caused the Borrower's collateral to incur a Constructive Total Loss, and for which that person is legally liable. Additionally, primary insurance shall be any other coverage we may have protecting our interest in the covered collateral, insuring at least the ACV of the Collateral, contingent upon the failure or absence of primary insurance coverage.
- "Unpaid Net Balance" means the amount owed by you to clear the outstanding installment sales contract/loan account upon the date of loss. This amount shall not include any unearned finance charges or interest; installment sales contract/loan charges; late charges; deferred payment; any delinquent payments; any uncollected service charges; refundable prepaid taxes and fees; or any other proceeds you may duly recover by canceling insurance coverages; service contracts; warranties, disposition fees, termination fees, penalty fees, or other items built into or added to the initial installment sales contract/loan balance. "Delinquent Payments" means any payment, as described in the installment sales contract/loan instrument, which remains unpaid for a period of more than sixty (60) days after the due date stated in the installment sales contract/loan instrument. The definition does not include approved deferred payments for Lender programs (i.e. "Skip-a-payment, "Skip-your-Christmas-Payment", etc.) as listed in item 7 on the reverse side.
- "Multiple Collateral" If two or more pieces of covered collateral are secured under the installment sales contract/loan agreement, we will not pay more than a proportionate share of the total unpaid net balance that each piece of covered collateral represents to the total loan.

## INSTALLMENT SALES CONTRACT/LOAN GAP WAIVER ADDENDUM

In consideration for the payment of the cost shown on the reverse side of this form, we will waive the GAP Amount due to a Constructive Total Loss to the collateral shown on the reverse side of this form. The deductible is waived only to the extent it is part of the "GAP Amount". Our maximum waiver shall be the GAP Amount including, if the collateral is protected by primary insurance, up to \$1,000 for the primary insurance deductible. If the collateral is not protected by primary insurance, we will waive only the GAP Amount obtained by subtracting the ACV of the covered collateral from the unpaid net balance and you will remain responsible for the ACV of the collateral. We will not waive the portion of the unpaid net balance attributable to the original installment sales contract/loan amount exceeding 150% of the Manufacturer's Suggested Retail Price (MSRP) on new vehicles, or 150% of NADA average retail book value on used vehicles, including all refundable items such as service contracts, warranties, insurance, or other such items.

#### **CANCELLATION/REFUNDS**

This GAP Waiver Addendum may be canceled for a full refund within sixty (60) days of the Origination Date for any reason. However, in the event of a Constructive Total Loss of the covered Vehicle, the GAP Waiver Addendum fee will be deemed as fully earned and therefore, no refund will be due. This Installment Sales Contract/Loan GAP Waiver Addendum is fully earned and non-refundable after sixty (60) days from the Origination Date, unless otherwise required by applicable state regulations. This Addendum shall automatically terminate and without prior notice terminate concurrently with the termination of the Loan agreement for Collateral or sale of Collateral.
